

The LAW of

THE HARVEST

The Law of Proportion

Introduction:

God has promised that what we sow for Him will be multiplied 30, 60, or 100 times. The Law of Proportion is that those who sow more reap more—much more!

Text: Ecclesiastes 11:4-6

**He who observes the wind will not
sow, And he who regards the clouds
will not reap.**

**As you do not know what is the way
of the wind, Or how the bones grow
in the womb of her who is with child,**

**So you do not know the works of God
who makes everything.**

**In the morning sow your seed, and in
the evening do not withhold your
hand; for you do not know which will
prosper, either this or that, or
whether both alike will be good.**

Ecclesiastes 11:4-6

Text: 2 Corinthians 9:6-8

But this I say: He who sows sparingly will also reap sparingly, and he who sows bountifully will also reap bountifully. So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver.

**And God is able to make all grace
abound toward you, that you, always
having all sufficiency in all things,
may have an abundance for every
good work.**

#HARVEST

2 Corinthians 9:6-8

Sowing is more about

CHARACTER than about

CIRCUMSTANCES, because

God can easily work beyond

CIRCUMSTANCES!

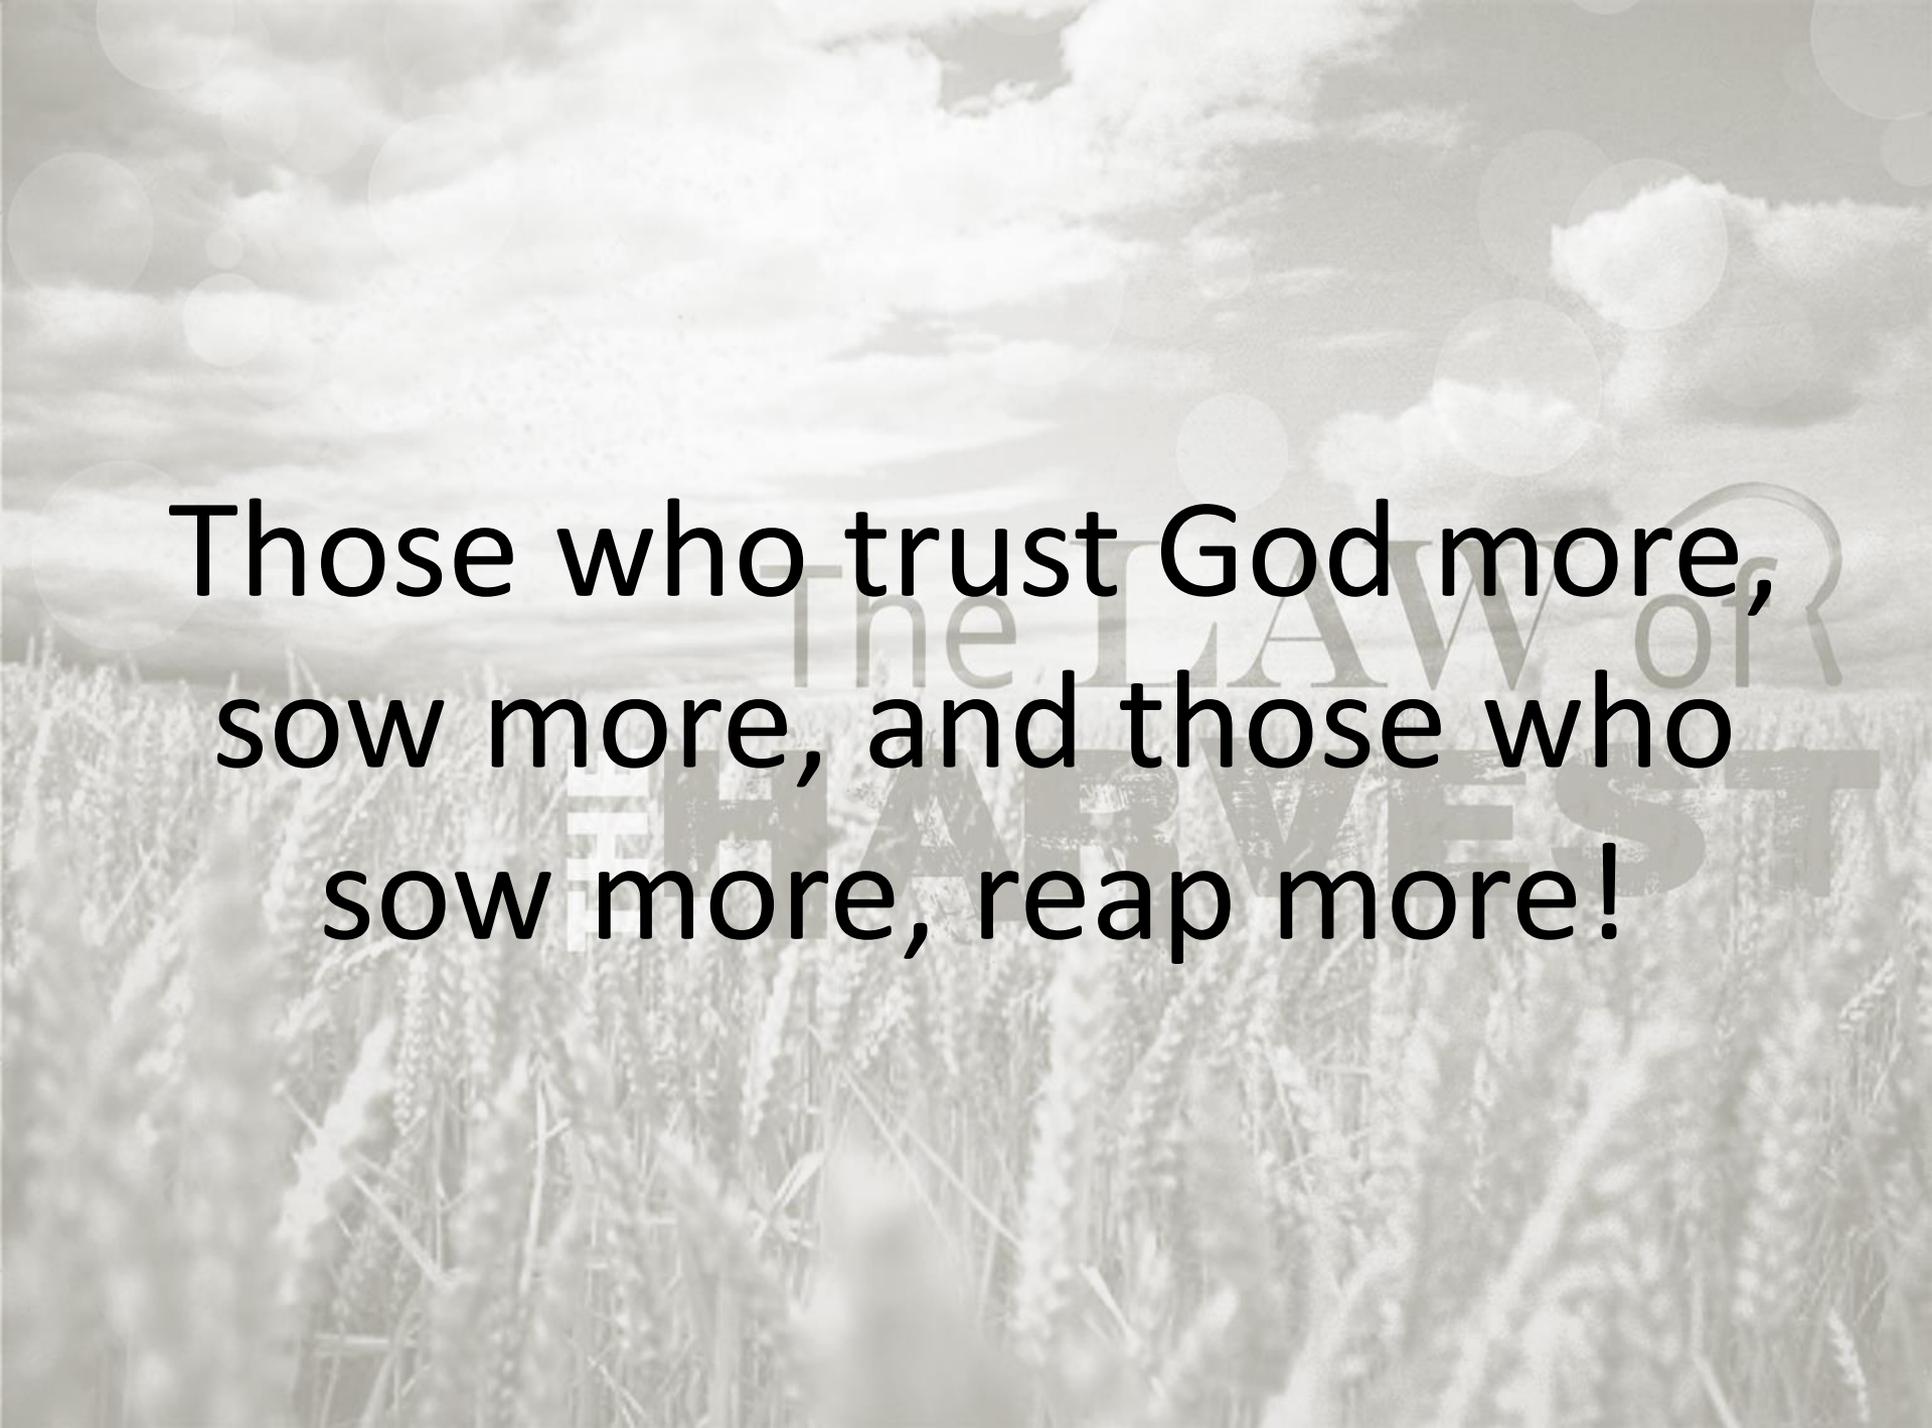

The decision to sow:

Is always specific to a particular **TIME**,
PLACE, and
CIRCUMSTANCE.

Always requires **TRUST** in God and
OBEDIENCE to Him.

Effective sowers rely on their
SPIRITUAL senses as well as their
PHYSICAL senses.

The LAW of
THE HARVEST

Those who trust God more,
sow more, and those who
sow more, reap more!

To sow more seed:

Pray for the **MIND** and **HEART** of

God— determine to **DISCERN** what

He wishes to do, then

PARTICIPATE.

To sow more seed:

Decide that **SPIRITUAL** sense

matters as much or more than

COMMON sense—trust your

spiritual **INSTINCTS**!

To sow more seed:

Don't feel that you always have to be able to **EXPLAIN** your decisions to sow — they often won't make sense to others.

#HARVEST

To sow more seed:

Give the benefit of the doubt to

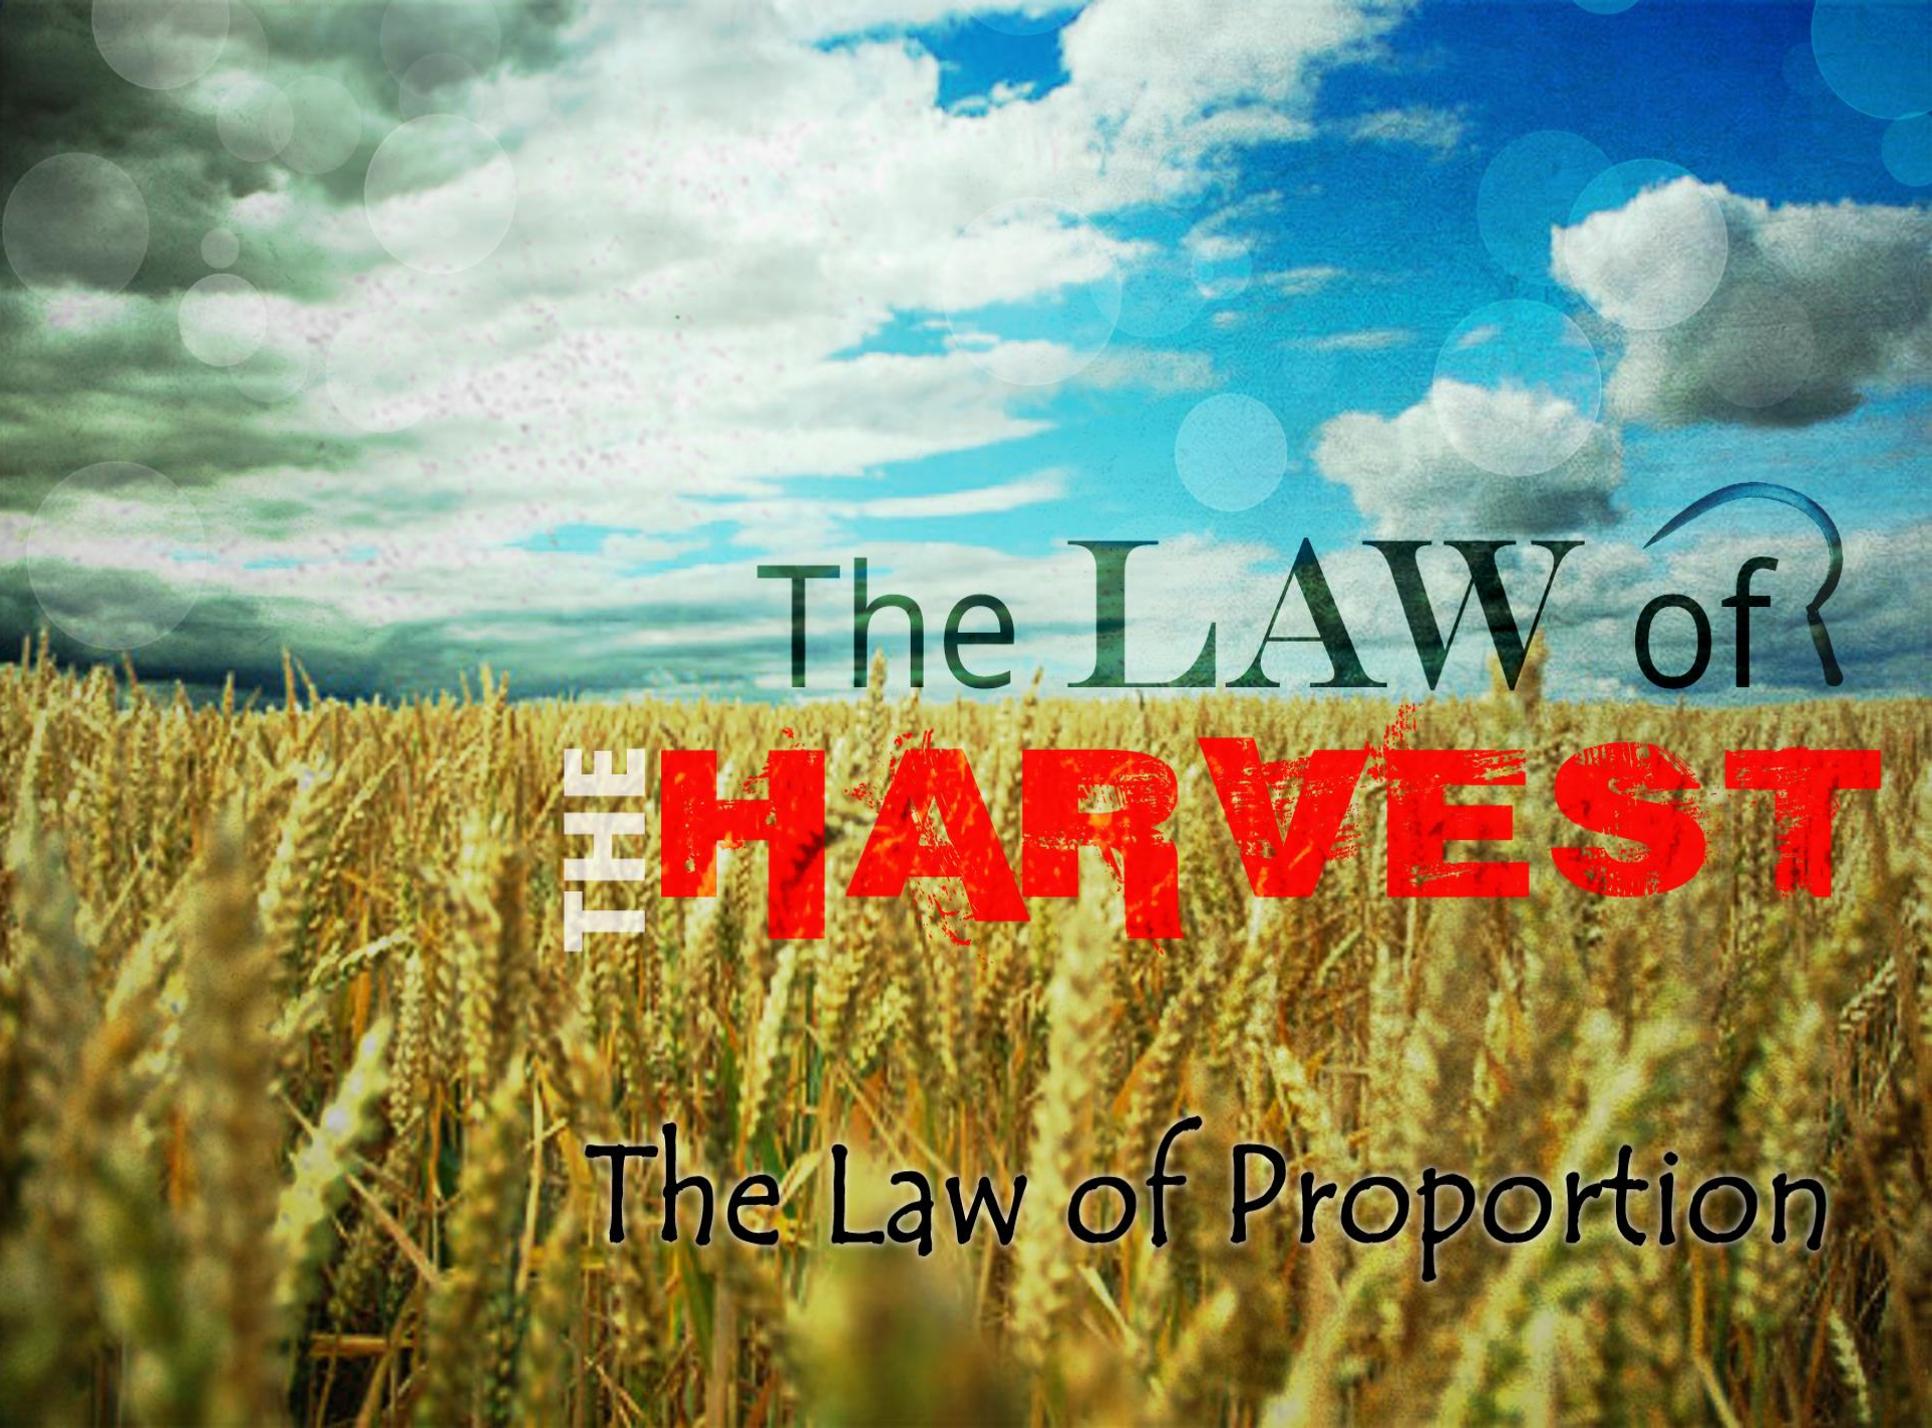

ACTION rather than

INACTION.

The LAW of
THE HARVEST

Conclusion:

Fear is the primary reason people don't sow more. How much are you sowing?
