

## **Building the Treasure Within**

*Rev. Jonathan White*

**Text:** Matthew 6:19-24

---

### **Introduction:**

You can't invest in another person's life until you first have something to invest!

---

Invest \_\_\_\_\_. The things of life which have the greatest value are \_\_\_\_\_ and \_\_\_\_\_!

\_\_\_\_\_. When it comes to investing, the \_\_\_\_\_ you begin to invest, the \_\_\_\_\_ the wealth you will eventually gain.

Expect occasional \_\_\_\_\_. Every investor has to come to grips with the reality of \_\_\_\_\_. Sometimes we will be \_\_\_\_\_ and \_\_\_\_\_!

Invest what you already \_\_\_\_\_, because if you wait to invest until you are \_\_\_\_\_, you never will be!

Life Investing tends to follow a predictable pattern. We first invest our \_\_\_\_\_, then our \_\_\_\_\_, and finally, our \_\_\_\_\_.

The most difficult thing to invest in another person is our \_\_\_\_\_. It is generally is the last thing we \_\_\_\_\_, and the first thing we \_\_\_\_\_!

---

*You can only be certain that you have moved past pain in your life when you are willing to be hurt again.*

---

Do your best to increase the \_\_\_\_\_ of what you are investing. If you are investing your:

\_\_\_\_\_ (service), gain \_\_\_\_\_.

\_\_\_\_\_ (teaching), gain \_\_\_\_\_

and \_\_\_\_\_.

\_\_\_\_\_ (loving), gain \_\_\_\_\_ and

\_\_\_\_\_.

**Conclusion:**

When it comes to Spiritual Life Investing, I am happy to say that I am a VERY wealthy man! You can be, too!
