

Learning to Learn

Pastor Jonathan White

Text: Matthew 11:16-30

Introduction:

Many of us want to learn how to love better, but before we can learn how to love, we have to learn how to learn!

We can always find a reason to reject the _____
when we love _____.

We will usually reject the _____ when we
reject the _____ telling it.

Spiritual truth has three powerful enemies:

1. _____ : "I don't have the time
or energy for anything that isn't _____!"

2. _____ : "I'm not _____
and _____ ! I _____ living
this way!"

3. _____ : "I'm not willing to accept any
_____, and I don't need to
_____ anything!"

Three weapons are powerful enough to defeat the enemies of truth:

1. _____ -- we must recognize our spiritual shortcomings and failures.
2. _____ -- we must recognize our personal limitations and acknowledge our need for help.
3. _____ -- we must recognize that it is best to carefully choose who and what we will trust.

Conclusion:

The Bible isn't a biography ABOUT a Jesus who once lived, but rather is an autobiography BY a living Jesus that shows us where and how to find Him!
