

The Seed of a Servant

Rev. Jonathan White

Text: Ecclesiastes 11:6; Psalm 126:5-6

Introduction: Even after being reminded, I didn't remember the name, or even the situation. The other guy apparently did.

Acts of loving and obedient service are like seeds, in that:

_____ things can have a big _____

— a servant must possess _____!

There is generally a _____ between the cause and the effect—a servant must possess _____!

You have to be willing to sow seed that will never

_____ if you want to ever _____ a

harvest—a servant must possess _____!

Conclusion: Those who sow, reap. Those who sow a lot, reap more.
