

What the Best Sowers Know

Rev. Jonathan White

Text: Matthew 13:1-8; 18-23

Introduction: It's not just how much good seed you sow, it's also how much good seed you sow on good soil.

Good sowers know that:

You _____ *before* you _____.

You _____ *what* you _____.

The _____ you sow, the _____ you reap.

Life is in the seed, but the things that _____ and _____ the life within the seed are in the _____.

8 General Characteristics of Unchurched People

They are _____.

They consider church _____.

They are _____ but not _____.

Almost all have some degree of _____ background.

They have _____, but not _____.

They insist on free _____ for themselves.

They consider _____ to be obnoxious.

Many _____ that they already _____.

Wise sowers of soul-winning seed will:

Win people through loving _____ rather than _____.

Encourage people to take the _____ in faith development, rather than discounting the faith that already does exist within them.

Give _____ and _____ rather than _____ and _____.

Pray for God's _____ leading before making major investments of _____ and _____.

Conclusion:

The best sowers are very careful where and how they sow.
They invest time in learning about the soil. Do you?
