

## Praying the Lord of the Harvest

*Rev. Jonathan White*

**Text: Matthew 9:35-38**

---

**Introduction:** Before Jesus could meet the needs of the people he came to save, he first needed to correct the vision of his own disciples.

---

Jesus challenged His disciples to see:

The \_\_\_\_\_ reality—things as they \_\_\_\_\_ were, not as they were at some point in the \_\_\_\_\_.

God's generous and overflowing \_\_\_\_\_ and \_\_\_\_\_, evidenced through miracles of \_\_\_\_\_ and \_\_\_\_\_!

The multitude of people around them in their true condition, rather than their apparent condition — they were \_\_\_\_\_ and \_\_\_\_\_.

The deep need of the multitude for a \_\_\_\_\_ leadership that would introduce them to the overflowing riches of God's \_\_\_\_\_ and \_\_\_\_\_.

---

**Conclusion:**

We are the ones we've been praying for God to send!  
All we need are Godly eyes!
