

## Love Undeclared

*Pastor Jonathan White*

**Text:** James 1:19-27

---

### Introduction:

James, the brother of Jesus, used an EXTREMELY strong word to describe what can happen to our religion!

Why, and what does it mean for us?

---

The predominant focus of \_\_\_\_\_ has been toward avoiding moral pollution, while often ignoring Biblical teaching about our attitudes toward the less fortunate.

Our true \_\_\_\_\_ is revealed by how we act toward the \_\_\_\_\_ among us.

---

*What do we do for those who can do NOTHING for us?*

---

We \_\_\_\_\_ both ourselves and our \_\_\_\_\_ when we make our \_\_\_\_\_ about us rather than about love for God and others!

It is difficult to recognize \_\_\_\_\_ in ourselves when it is \_\_\_\_\_ in our surroundings.

The only \_\_\_\_\_ motive for our words and actions is \_\_\_\_\_!

---

### Conclusion:

*We live in a time when relationships are troubled. Could it be that the problem is that we don't truly know how to love?*
